

A modern, multi-story building with large glass windows and a flat roof, situated behind a pond. The building has a mix of grey panels and glass. In the foreground, there is a pond with water, some ducks, and a small fountain with three jets. The sky is overcast. The text "Technology Park Brno" is overlaid in white on the building.

# STRATEGIC LOCATION

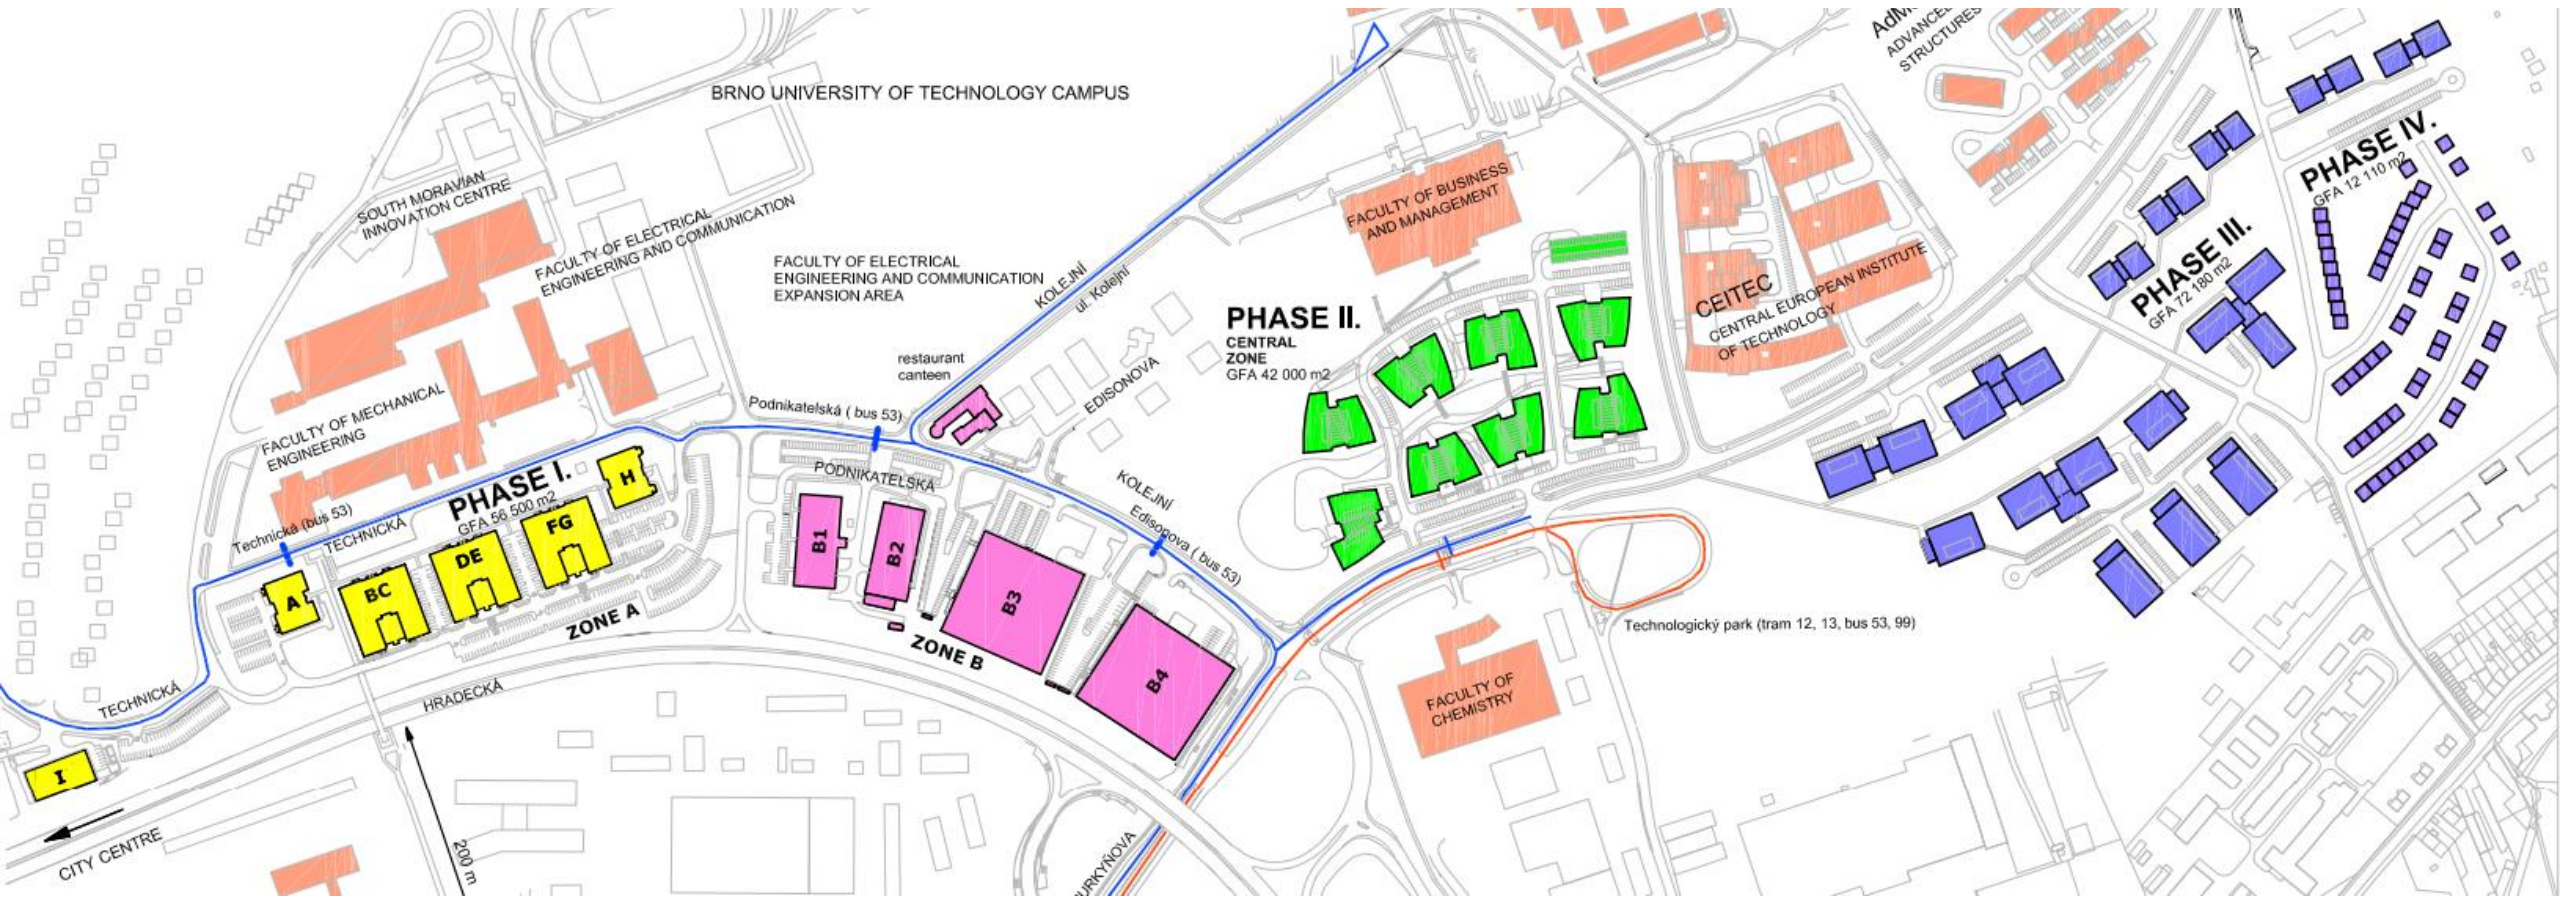

A

B

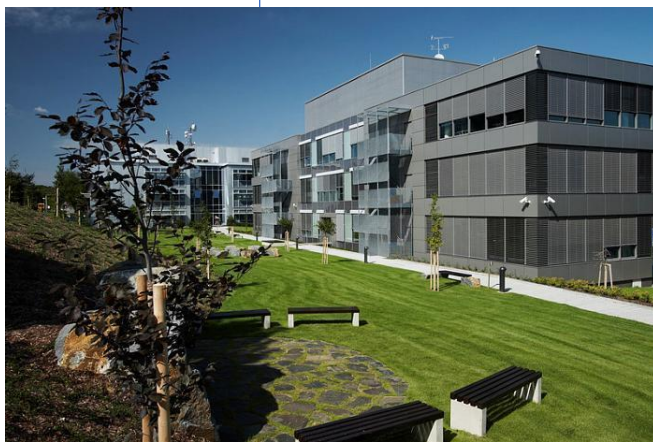

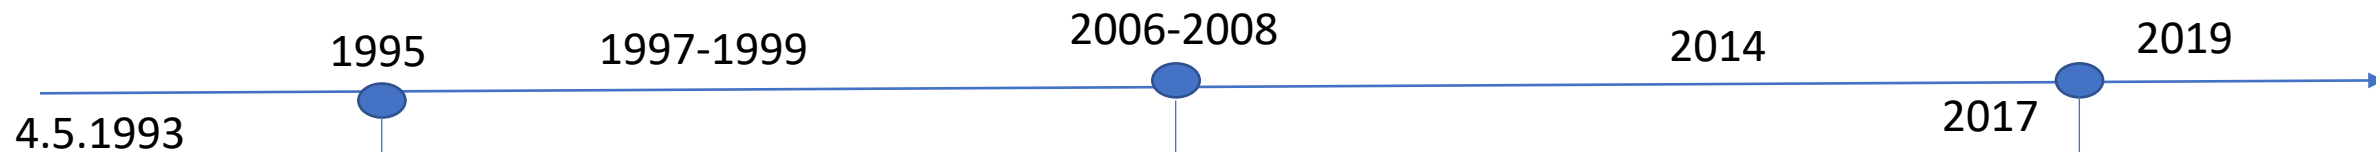

An area of 120 hectares, including the university campus with 60 hectares of land set aside for commercial development for lease.

The TPB zoning plan is divided into a number of zoning areas, which should be developed in several phases with a total construction volume of 150,000 m<sup>2</sup> including a housing area.

The dominant owner of the joint-stock company Technological Park Brno is the Statutory City of Brno. TPB also has a cooperation agreement with its shareholder Brno University of Technology, one of the largest universities in the Czech Republic.

# ZONE – OFFICES

5 hectares of land

6 office buildings

a total of 30,500 m<sup>2</sup>

# ZONE B – PRODUCTION

5.5 hectares of land

5 combinable usable high-tech production buildings

Altogether 26,000 m<sup>2</sup>

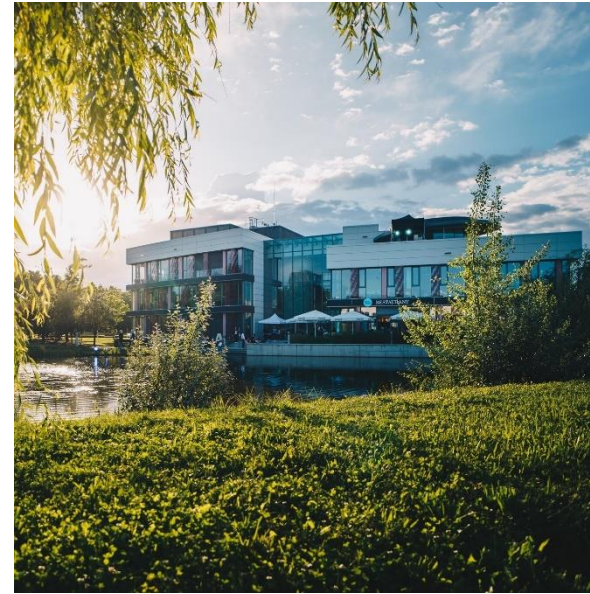

# ZONE C - CENTRAL

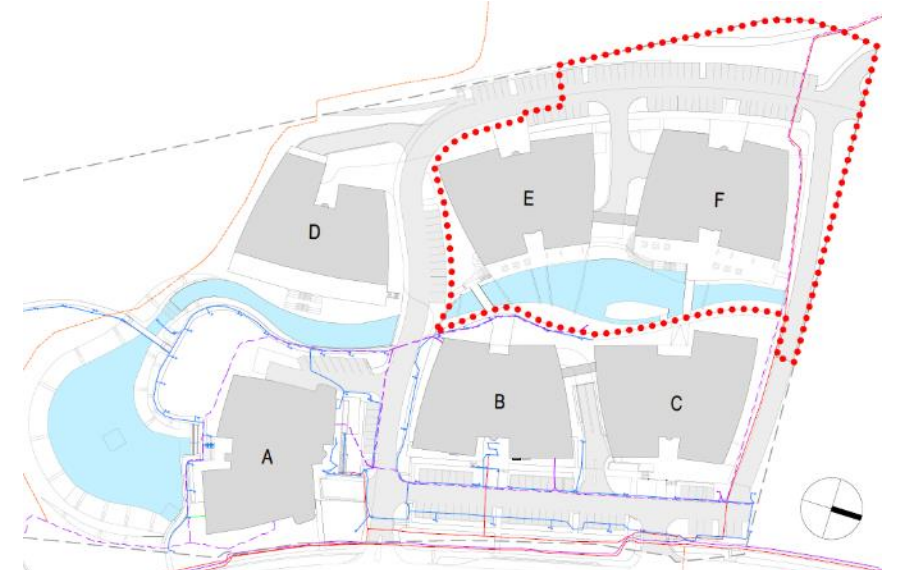

The first three buildings were successfully completed

Altogether over 11,000 m<sup>2</sup>

Building A includes retail space on the ground floor
